SPARE COPIES

In the G.O. cited, Government approved the scheme of preliminary training for the supervisory and labour staff to be employed in the Government Silk Filatures, Kollegal. In accordance with this Scheme, the staff required to work in the Govt. Silk Filatures were at the outset trained at the Kollegal Silk Filatures. When however, sufficient number of basins had been installed at the Government Silk Filatures, the training of further labour was undertaken by that Filature itself to suit its requirements; and this was brought to the notic of Government in para.1 of my letter No.1502-D/43 dated 5th March 1944. Some more candidates who were recruited, subsequently for employment as supervisors were also trained at the Government Silk Filature [redacted] the months of July and August 1944 and were paid stipend at the prescribed rates.

The Accountant General has pointed in his audit note No.T.15co528 dated 25-10-44 (copy enclosed) that the training of supervisors at the Government Silk Filatures is not covered by the sanction conveyed in the G.O. referred to above as that order envisages training of staff in the Kollegal Silk Filature and that during 1943-44 only. He has accordingly suggested that separate sanction of Government be obtained for the training given at the Government Silk Filatures during 1944-45. I request that sanction may kindly be accorded to the training till now imparted to the supervisory staff and labour in the Government Silk Filatures during the current year and also to the payment to them of stipend at the prescribed rate.

As similar training has necessarily to be given whenever there is need for employing additional staff, I request that Government may be pleased to sanction generally the preliminary training of the subordinate supervisory staff and labour in both the filatures and to the payment of stipends. The number of candidates to be trained on each occasion will not be large and will necessarily depend on the number of vacancies that arise from time to time. The trainees will be paid during their period of training, stipend at the rates specified in the G.O. cited. The period of training also will be of same duration.

Mr. Saiduddin Ahmed underwent training as Foreman from 2nd January 1945 to 1st April '45. The sum of Rs.59-6-0 referred to represents the stipend paid to him upto 31st March 1945 at Rs.20/- per mensem which is the rate sanctioned for foreman in G.O.No.Ms.136, Development Department dated 6th February 1943.

2 to 8 (B) M

Sri A. Shanmugham Pillai was given training as Supervisor for 3 months only between 9th November 1944 and 1st March 1945 as detailed below. The breaks in the period of training denote his absence due to illness.

✓ p12 below

p.t.o.

	Year	Months	Days
9-11-1944 to 25-1-1945	0	2	17
13-2-1945 to 14-2-1945	0	0	2
19-2-1945 to 28-2-1945	0	0	10
1-3-1945	0	0	1
Total	0	3	0

The sum of Rs.30/- paid represents stipend at Rs.10/- per mensem as sanctioned for supervisors under training.

Vacancies in the posts of Foremen and Supervisors generally arise without sufficient notice by the Foremen or Supervisor leaving the Filature on grounds of health or otherwise. Early arrangements have to be made for filling up of these posts. As no reserve of trained Foremen or Supervisors are yet available, it is necessary to train candidates for 3 months before appointing them as Foremen or Supervisors. If in each case Govt. sanction is to be obtained prior to such training, it is bound to involve delay and thus postpone the filling up of the post. It is for this reason that Government have been requested to give me general permission to sanction payment of stipends to future trainees. I shall report to Government, if so desired, each case as it occurs.

2. Item (i) on p 1 ante: In the report at pp 7-8 cf, the DIGI has stated that a sum of Rs 410-2-0 has been incurred during 1944-45 on the training of Sappers in the Anti Gas Classes, Kolkata. In the list at p 8 cf, it is seen that in respect of item 14, the period of training has exceeded the three months prescribed for the purpose but that the stipend paid is in excess of the amount due to be paid to them at the rate prescribed. Similarly, in the case of item 10 in this list, the period of training has exceeded three months but the stipend paid is only Rs 30/- as the expenditure has already been incurred, and this discrepancy is for consideration whether the DIGI may be asked to reconcile the discrepancy. Subject to orders on this above point, it is submitted that the stipend which has already been incurred, may be sanctioned for orders.

Item (ii) ante: A specific point for the opinion of Audit Cadre to be obtained at any time has not been furnished by the DIGI. As the matter is not of such urgency as not to await receipt of such opinion being obtained, it is for consideration whether the general powers sought may be granted and accorded. Even in cases of emergency, it will be open to the DIGI to arrange for the training of personnel and to seek the sanction of the Govt in specific cases for orders as to be warranted. If such orders are passed on the above, the case may be sent to the Dept for records.
